African American students and families in Contra Costa County face long-standing barriers to educational equity, connection, and access to resources. Delta Bay Impact exists to change that narrative—by creating safe spaces, trusted relationships, and pathways to opportunity rooted in belonging.

What We Do

- **School-Based Mentorship & Advocacy**

Trusted mentors support students academically and personally while advocating for their needs within school systems.

- **Academic Support Connections**

We connect students to tutoring and skill-building resources that reinforce classroom learning.

- **Family Engagement**

We strengthen communication and partnership between schools and families through events and consistent outreach.

- **Mental Health Awareness & Referrals**

We promote mental wellness and connect families to culturally responsive resources.

Our Story

Founded in 2023, Delta Bay Impact grew out of deep community listening and direct experience within local schools. Our early pilot demonstrated that when students feel seen, supported, and connected, outcomes change.
